

## **BUILDING & PEST INSPECTION REPORTS from just \$9.00\***

Our building inspections are meant to make you aware of any potential dangers or damages the property may have.

By obtaining a report before you've made any financial commitment, you can make an objective decision about whether or not this is an investment you are willing to make.

### **\*Terms & Conditions Apply**

If you are the successful purchaser of the property, only then will you be required to pay the remaining balance and the reports will be issued in your name.

**SCHEDULE YOUR REPORT TODAY  
CONTACT HOUSECHECK NSW at

## HOW IT WORKS

### Step 1

Owner of the property activates order for a building report and pays \$9 at **[www.housechecknsw.com.au/report](http://www.housechecknsw.com.au/report)**

### Step 2

The report is then completed and added to the HouseCheck NSW website where it can be downloaded by interested prospects for only \$9.

### Step 3

The referring partner is then sent a notification each time a prospect has opted to purchase the report.

### Step 4

Once the property is sold, the buyer is responsible for paying the remaining balance of the report (\$440).

**you're in  
good hands**
