

## **CORPORATE REWARDS PROGRAM**

Outside of HouseCheck NSW's service offering, our first goal is to help you. How can we do that?

Put it this way: the longer a property inspection takes to be certified, the longer the sales process is.

Our goal is to reduce the settlement time by providing a streamlined, consistent service to ensure everyone gets paid quicker.

**FOR FURTHER DETAILS OF HOW OUR CORPORATE REWARDS PROGRAM WORKS, PLEASE SEE THE BACK OF THIS BROCHURE.**
